

CARSON CITY SENATOR ELKS LODGE #2177

Volume 23 Issue 8 "Elks Care Elks Share" November 2026

Message from our Exalted Ruler

November is here, and I want to start by saying how happy I was with the amazing turnout for the Nevada Day Parade! It was so wonderful to see our Elks come together and show our community just how much we care. Being part of events like this reminds us that Elkdom is about more than what happens within our lodge walls — it's about giving back, showing up, and making a difference in the community we call home. Thank you to everyone who came out, volunteered, and helped represent our lodge with pride!

We were also so happy to host Nevada State President JJ Lynch for dinner on October 30th! It was a pleasure to spend the evening together, hear how his term is going, and learn more about his plans and hopes for the future of Nevada Elks. It's exciting to hear about the direction our state is heading and how we can continue to grow and strengthen Elkdom throughout Nevada. A huge thank-you to the Ramirez kitchen crew for preparing and serving such a delicious meal! Your hard work helped make the evening special, and we truly appreciate everything you do.

The week before Thanksgiving, we will be traveling to Southern Nevada for the Elks Midterm Convention! All members are invited and encouraged to attend. This is a great opportunity to meet fellow Elks, share ideas, learn more about what is happening throughout our state, and bring back helpful information that can benefit our lodge and Elkdom as a whole. We hope to come away with new ideas, inspiration, and ways to continue strengthening our lodge and the communities we serve.

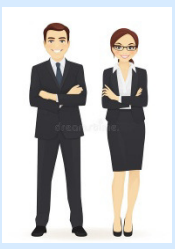

As we head into the Thanksgiving holiday, I want to wish everyone and their families a very Happy Thanksgiving! I hope you all have a wonderful holiday filled with good food, laughter, and time spent with the people who mean the most to you. I'm so thankful to be part of such a wonderful Elks family, and I can't wait to see everyone at the lodge soon!

Elks Care, Elks Share! *Sarah*

HERE'S HOW TO BUY LODGE DINNERS

*To use this system go to the bulletin board next to the office door by the gas heater in the game room.
*On that board are individual sheets that have the current dinners coming up.
*At the top of each page is the event name and at the bottom center is the pricing per person.
*At the right of the bulletin board is a holder with envelopes and ticket vouchers.
*Fill out the voucher with your name, member #, name of the event you would like to attend and number of tickets you would like to purchase.
*Put the voucher and money for the event in one of the envelopes available (cash or check) no need to seal the envelope, just fold it in so we can reuse the envelopes, and put the envelope in the **RED box** next to the envelope holder case.
*This **RED box** is secure and is only accessible by either of our secretary's and or our treasurer.
*The list of people attending the event will be updated twice a week. The names of people on the list and the number of people attending the event will be relatively current.
*The sheets on the board will also be updated at the same time that contents of the **RED box** envelopes are retrieved.
*The hosting member putting on the event will have access to this sheet electronically and know the members attending and the head count.

I encourage everyone to help participate in the upcoming dinner events and hope to see you all there.

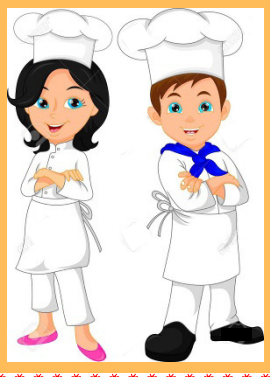

Sincerely, *Ray Battaglia* Past Exalted Ruler

Elks National Foundation New Look. Same Impact.

On October 27, 2025 Elks National Foundation (ENF) moved to a new online donation form! This new form will still offer the same security and reliability as our old form, but it has a new design to make helping Elks build stronger communities even easier. We promise, there are no tricks here—just treats!
As always, all donations made online will be credited to your personal giving history and your Lodge's per member-giving. To ensure that we can credit you and your Lodge for your donation, click through the entire form and fill out the fields. It is especially important to include your Lodge and member number when prompted! The new form will ask for this information after you submit your donation, unlike the old form, which asked for it before.

If you have a friendly link to one of the online donation forms (like enf.elks.org/donate), it will direct you straight to the new form. But, if you have one of the longer URLs saved on your computer, it will no longer work. None of the old ENF donation forms will be accepting gifts. All Fidelity Club gifts will remain uninterrupted through the change. There will be a new Gift Service Center for Fidelity Club members to make changes to their gift online.

Fidelity Club members should have received an email on October 28, 2025 explaining these changes. If you have any questions, please contact pledges@elks.org.

The ENF Staff is excited about these updates, and are looking forward to sharing more progress with you as the year continues! **Questions? Please contact *Sabina* PER at sabinabye@gmail.com**
