“Elks Care Elks Share”

June 2026

Message from our Exalted Ruler

Hello members,
June is shaping up to be another busy and exciting month for our lodge. Our Flag Day Ceremony at the end of the month is heading in a great direction, and I'm very excited about all the wonderful planning Kim, our secretary, has put into this event. I hope to see all of our Elks there to help support and celebrate this important tradition. It will also be a great event for our community, and a wonderful opportunity to come together and show pride in our country. We will be serving free hot dogs and there will be fun **SURPRISE** guests for our Dunk Tank, so come out, have some fun, and help us make it a memorable day for everyone! Our Fathers day Corn hole event is right around the corner too! Sign up your team!!

This month will also bring a lot of discussion about the future of our lodge, including plans for the kitchen remodel and ideas on how we can continue updating and improving the lodge for our members and guests. We are also rolling out new ways to better communicate with members and improve how we ask for and organize volunteers. **I want to remind you that 99.2% of our members said they would volunteer** at some event during orientation. Whether it is in our kitchen, behind the bar, or even with remodeling so please answer the call to help out in our lodge just a few hours a month. (See page 13 to contact our Volunteer coordinator Carol Stammer) Hosting a dinner is very easy to do and I would be glad to help answer any questions you have.

Coming to our Tuesday Lodge Meetings will help keep you up to date on more important lodge communications.

The Rodeo Dinner last month was a great success, and I am so proud of our members for showing such strong support for the children of our community and their futures. I'd also like to give a very special thank you to the Emblem Club and Elk member Res Martin for putting together such a beautiful Mother's Day High Tea. Events like these show the heart of our lodge and the dedication of the people who make it all happen.

Fraternally yours, *Sarah Ritchey*

Secretary's Message

First and foremost, sincere thanks to Donna for helping out while I was gone on vacation. We tag-team well and I am most appreciative!

And just like that, Summer is upon us! So many exciting things in the works over the next few months. Biggest on my plate is the 250th anniversary of USA celebration. I am so grateful for all who are helping me plan this and also those who have offered. I will be calling on you! This is our opportunity to share with the community what Elks are all about and especially how we celebrate Americanism. The event will include a flag ceremony, free hot dogs and ice cream, kids' carnival (thanks to Kiwanis) and drug awareness, live music (wait until you hear who!!), adult fun and games, and veterans recognition.

All followed by a wonderful summer picnic dinner hosted by the Emblem Club #507 to benefit Carson City Sheriff's Search and Rescue.

Spend the whole day with us!! Please look at the flyer on page 16 for details and spread the word!

Carol's Kitchen Corner

Kitchen teams and Chefs please be aware of the following:

After your meal/dinner is over, and as part of your duty to close the kitchen:

STOVE: It is critical that you take the time to check the burners, oven, and grill pilot lights

1. BURNERS: must be turned completely to OFF not part way
2. OVEN: TURN TO PILOT Pilots should be left on, and the knob turned to **PILOT**

If for some reason the pilot light IS OUT, then turn the knob to OFF

3. **GRILL: CHECK PILOT LIGHTS**, if they are out, they must be lit, as gas does escape.

Check that the burners in the grill are COMPLETELY OFF IF ANY of the outlets on the stove are not properly turned OFF, then gas does escape into the lodge.

4. **Regarding trash bags: White bags are used as garbage can liners ONLY. Use black bags as usual for garbage.**

SAFTY NOTE:

LATELY, we have opened the lodge to the odor of gas. This requires a to call 911 to report it, and Southwest Gas to check all the gas appliances, and assure the air quality is safe.

If the odor is severe, you MUST vacate the building immediately and go to a safe area until the Fire department and Southwest gas arrive.

So, stay safe, any questions, comments, please contact me or the Assistant Mgr Dan Lively.

Fraternally, Carol Park Mgr.

The purchasing procedure for Lodge Dinners

- *To use this system go to the bulletin board next to the office door by the gas heater in the game room.
- *On that board are individual sheets that have the current dinners coming up.
- *At the top of each page is the event name and at the bottom center is the pricing per person.
- *At the right of the bulletin board is a holder with envelopes and ticket vouchers.
- *Fill out the voucher with your name, member #, name of the event you would like to attend and number of tickets you would like to purchase.
- *Put the voucher and money for the event in one of the envelopes available (cash or check) no need to seal the envelope, just fold it in so we can reuse the envelopes, and put the envelope in the **RED box** next to the envelope holder case.
- *This **RED box** is secure and is only accessible by either of our secretary's and or our treasure.
- *The list of people attending the event will be updated 3 to 4 times a week. The names of people on the list and the number of people attending the event will be relatively current.
- *The sheets on the board will also be updated at the same time that contents of the **RED box** envelopes are retrieved.
- *The hosting member putting on the event will have access to this sheet electronically and know the members attending and the head count.

I encourage everyone to help participate in the upcoming dinner events and hope to see you all there.

Sincerely, Ray Battaglia Past Exalted Ruler

Elks National Foundation New Look. Same Impact.

On October 27, 2025 Elks National Foundation (ENF) moved to a new online donation form! This new form will still offer the same security and reliability as our old form, but it has a new design to make helping Elks build stronger communities even easier. We promise, there are no tricks here—just treats!

As always, all donations made online will be credited to your personal giving history and your Lodge's per member-giving. To ensure that we can credit you and your Lodge for your donation, click through the entire form and fill out the fields. It is especially important to include your Lodge and member number when prompted! The new form will ask for this information after you submit your donation, unlike the old form, which asked for it before.

If you have a friendly link to one of the online donation forms (like enf.elks.org/donate), it will direct you straight to the new form. But, if you have one of the longer URLs saved on your computer, it will no longer work. None of the old ENF donation forms will be accepting gifts. All Fidelity Club gifts will remain uninterrupted through the change. There will be a new Gift Service Center for Fidelity Club members to make changes to their gift online.

Fidelity Club members should have received an email on October 28, 2025 explaining these changes. If you have any questions, please contact pledges@elks.org.

The ENF Staff is excited about these updates, and are looking forward to sharing more progress with you as the year continues! **Questions? Please contact Sabina PER at sabinabye@gmail.com**

Guest Speaker David & Gayle Woodruff

No Limits-No Boundaries. Tenacious Women of the Eastern Sierra.

Synopsis: The Eastern Sierra Nevada has attracted brave mountaineers, adventurous ramblers and inspired thinkers from time immemorial. But its not just men that have found their "best selves" in the shadow of these mighty peaks. From brave Native Americans who often led their people through great challenges to one of America's greatest wordsmiths, the Eastern Sierra has been home to many fierce and determined women. Join local historians and authors David & Gayle in a 55-minute slide show as we take a closer look at a few of these remarkable "local" ladies.

Eleven O' Clock Toast

You have heard the tolling of eleven strokes.

This is to remind us that with Elks the hour of eleven has a tender significance. Wherever Elks may roam, whatever their lot in life may be, when this hour falls upon the dial of night, the great heart of Elkdom swells and throbs. It is the golden hour of recollection, the home coming of those who wander, the mystic roll call of those who will come no more. Living or dead, Elks are never forgotten, never forsaken. Morning and noon may pass them by, the light of the day sink heedlessly in the West, but ere the shadows of midnight shall fall, the chimes of memory will be pealing forth the friendly message,
